Exhibitor passes: (see clause 16 ATB)	An All-Inclusive Package of 12 sq. m includes 2 free exhibitor passes for exhibitors. An exhibitor with a stand size of 15 sq. m exhibitor will receive three exhibitor passes free of charge. One additional pass will be issued free-of-charge for every further 10 sq. m or part of sq. m. This covers the company's profile entries, including the applicable provider groups, as well as use of the Matching and Lead Tracking features of the networking platform provided by us. The deadline for registration on the networking platform will be communicated by the responsible service partner or Hamburg Messe in a timely manner. If you miss this deadline, we will use existing information from your registration/admission records. Feel free to direct any questions you may have to the contact person indicated in the Networking Platform section of the Online Service Centre.
Advocacy fee:	WindEurope is the voice of the wind industry, actively promoting wind power in Europe and worldwide. It is a non-for-profit organisation. All its events and membership's revenue (including the WindEnergy Hamburg advocacy fee) is invested in advocacy, PR, research and analytical activities. Its work helps to create the policy and regulatory frameworks within which companies can successfully develop their businesses.
Registration fee for co-exhibitors: (see clause 4.3. ATB)	Co-exhibitors must be notified to HMC in writing with indication of company name, address, and products/services. The main exhibitor registers his co-exhibitor via his online registration no later than six weeks before the start of the event. Stand roofing: (see clause 5.4.2 TR)	Please note that roofing may impair the effect of the sprinkler system. It may then be necessary to install an additional sprinkler system on the stand itself.
Exhibitor events:	If an exhibitor wishes to conduct an event at his own exhibition stand after the daily opening times, this must be applied for in writing. Respective forms can be found in the Online Service Center (OSC). The resulting costs for additional supervision and security staff will be charged to the exhibitor. Events are permissible until 22:00 hours at the latest.
Audio presentations: (see clause 13 ATB)	Please limit your volume to a level that is acceptable for your neighbours. Relevant indications are shown in clause 6.12 and 5.7.7. of the Technical Regulations.
Compulsory presence and operation: (clause 7.7 ATB)	The exhibitor is obliged to be present and operate his stand during the opening hours and for the entire duration of the fair, including the last day of the fair. Dismantling of the stand before the period set for dismantling is a breach of contract. HMC is entitled to impose a penalty charge of € 1,000 plus VAT. The same shall apply if the entire stand personnel leave before the end of the exhibition.
Exhibit protection:	Subject to a decision by the Federal Justice Ministry, HMC offers exhibitors a certificate for submission to the German Patent and Trade Mark Office that the exhibit to be protected (consumer/investment product, design/utility model) has been exhibited at WindEnergy Hamburg 2028. Event-specific additions to General Terms of Participation (ATB) and Technical Regulations (TR) of Hamburg Messe and Congress GmbH (HMC)

Cost element clause:

In the event that the utility or labour costs payable by HMC (e.g., energy costs for electricity or gas, costs of water; wages, etc.) change during the six-month period beginning after the conclusion of the contract and ending at the end of the scheduled time for the event, without HMC being able to reasonably influence this change, HMC may, at its reasonably exercised discretion, adjust the Service Fees by an appropriate amount, provided that the changes have an immediate impact on the (pro-rated) purchasing costs incurred by HMC. In case of a cost increase, the amount added to the Service Fees must not exceed the increase in HMC's purchasing costs, and HMC shall offset this added amount against any reduction of other costs incurred by HMC elsewhere if applicable. The other party must be notified about any such Service Fee adjustment in textual form. HMC may, without being obliged to do so, sign such notification and may choose to do so using the DocuSign software. In the event of a dispute, the competent court of law may review the appropriateness of change of service fee. Any Service Fee adjustment must be announced one month prior to the beginning of the scheduled time for the event at the latest.
